

Welcome to DaVita Clinical Research® and the Mile High City of Denver

Thank you for visiting DaVita Clinical Research's Early Clinical Research Unit in Denver. From the diverse cultural blend and rich heritage to the flourishing landscape, Denver offers recreational opportunities that are second to none. Besides being home to seven professional sports teams, our terrain sets the backdrop for year-round activities including skiing, mountain biking, whitewater rafting, snowboarding, horseback riding and more. Whether you enjoy fine dining, art, music, shopping or connecting with the great outdoors, we appreciate your visit and hope you enjoy the Mile High lifestyle.

Major Attractions

You would need to spend a lifetime in Denver to experience all that this community has to offer. Major attractions include the Denver Art Museum, Denver Zoo, Denver Museum of Nature & Science, Denver Center of the Performing Arts and the History Colorado Center. For more information about the city's attractions, arts, recreation, lodging, dining and nightlife, visit www.visitdenver.com.

Transportation from the Airport

DCR's Early Clinical Research Clinic is approximately 33 miles from the Denver International Airport (DIA).

Additional Transportation: Taxi & Rental Cars

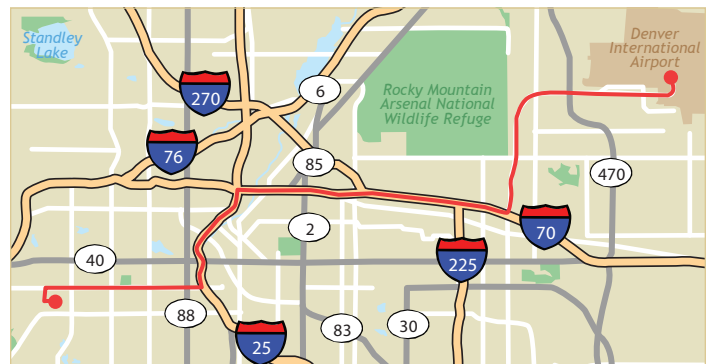

Cab fare through a variety of companies is approximately \$89 one-way. Rental cars are available through Advantage, Alamo, Avis, Budget, Enterprise, Hertz, and National.
